16. Please have your pastor or staff person with whom you are most familiar write an evaluation of you and their thoughts on your involvement in a short-term mission team. It can be very brief. Please have it on church letterhead and sealed in an envelope and mailed to Sowers, or by e-mail if they wish.

(That's right, I don't want you to see it! ☺)

As you complete this & the evaluation please get them to our office by any of the forms listed in the box below. You do not include the questions on the application, just your responses. We try to keep it simple!

Our goal is to give you the finest exposure to missions available, while at the same time doing ministry that will greatly benefit the Kingdom of God!
